(Capo 4th fret)

C G/B Am Dm F F#m2

VERSE 1

For all the times that you cried on my shoulder and all the days you got to spend my time
 You think you know my heart, oh, get the goodness back, you think you know my love
 Well, I wish I didn't waste a whole night, I wish I didn't waste another thing I got care
 I wish I could just tell you I'm done up, And baby, I'll be honest, and I think it should be
 something I don't want to tell back, maybe you should know that

PRE-CHORUS
 My mama don't like you, and she likes everyone, And I never like to admit that I was wrong
 And I've never let you up in my job, didn't like who's going on
 But now I know, I'm better sleeping on my own

CHORUS
 Cause if you like the way I am, you like that much, oh baby, you should go and love yourself
 And if you think that you're holding on to something you should go and love yourself
